About Us

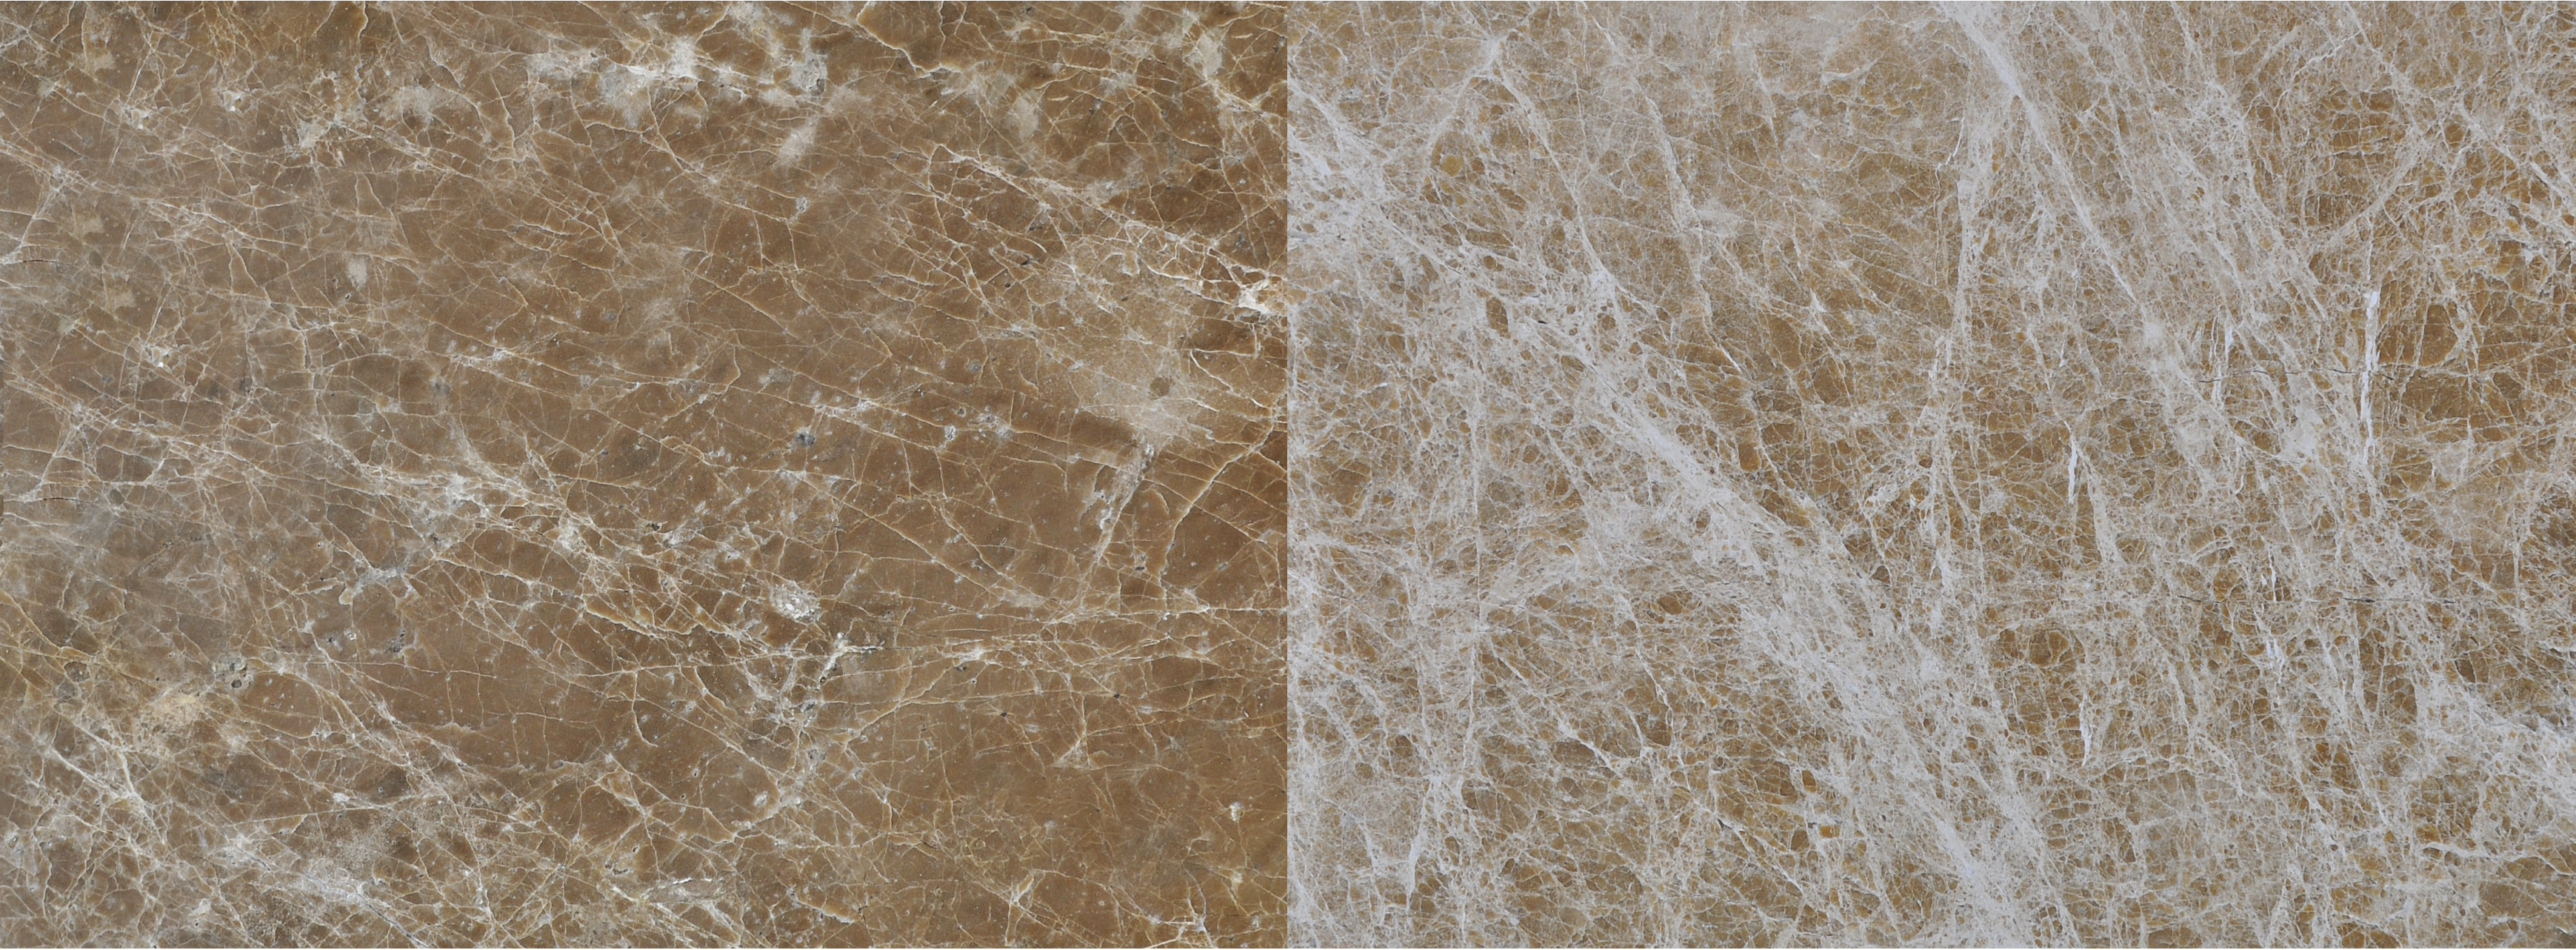

Haşim Altınsoy, one of the founders of our company has begun to work in marble sector as a family job in 1930 by repairing the ancient works and marble mastery .In 1950 he has set up a marble workshop and continued his progress in marble sector by using machinery after the hand mastery, and the company became a marble procurer for construction companies and ancient works in Bursa. He has also set up the first marble quarry and the factory in 1961 and has taken the role of a significant player within the business in Bursa.

In 1984, the company has conducted their services under the name of ALTINSOY MINING & TRADE INC. CO. with 2nd generation Nurullah Altınsoy who is son of Haşim Altınsoy, President of the Board of Directors. Since 1984 ALTINSOY MINING & TRADE INC. CO operations has been started in every field of marble sector.

In 2000, ALTINSOY MINING & TRADE INC. CO has been started to be represented by our General Manager Cüneyt Altınsoy, who is the 3rd generation of the family and has a role in production and marketing of blocks, slabs and tiles.

Our company generally manufactures 12 different color marbles in its own quarries and end products are delivered both in domestic and overseas including China ,India, Saudi Arabian, Iraq, Kuwait, Poland, Austria, Panama, Venezuela, Israel, Egypt, Lebanon, Azerbaijan, Russia, Romania and Czech Republic.
